

# Part-time Educator Open House at Heartland Lincoln Center

## Part-time Educator Open House

Are you passionate about learning and committed to student success? Join us to learn more about part-time teaching and tutoring positions at Heartland Community College. Meet with HCC staff and explore opportunities in academic disciplines as well as adult and continuing education programs. Required credentials vary depending on the subject and program, and range from a master's degree to teach most academic subjects to experience in the field for career/vocational or continuing education courses. Bring your resume and transcripts, if available. We welcome meeting with those interested in teaching or tutoring in all subjects, but anticipate specific opportunities in the following areas:

- Adult Basic Education/High School Equivalency
- Certified Nursing Assistant
- Sociology
